

# **DGLVR Webinar**

**12/14/23**

**Starts at 9am**

## **DGLVR Spending Update and Annual Summary Report Refresher**

**If you are reading this, then you are successfully seeing the webinar video. Webinar audio should be automatic through your computer, and options can be accessed in the “audio options” button on the bottom left. If you are having audio issues, or are in a location where listening via phone is preferable, audio is also available on the CDGRS conference line at: 312-626-6799**

**For technical assistance, call: 814-865-5355**

**PennState**

**zoom**

## Agenda

- **Spending requirement update**
- **Quarterly Report updates**
- **Annual Summary Report Refresher (including looking up spending status)**

## **DGLVR 5-Year Agreements (between SCC and CDs)**

- **Agreement that establishes DGLVR Program in individual CDs, allowing funding transfer to CDs.**
- **66 CDs currently have agreement**
- **Previous Agreement ended 6/30/23**
- **All funding from agreement must be spent out by 6/30/24**

## Conservation District DGLVR Allocations

- **Current CD Status as of 12/14/2023:**
  - Spent everything: 15 DGR, 11 LVR
  - Committed everything: 25 DGR, 25 LVR
  - Not committed: 24 DGR, 30 LVR

**Question:**

What if funds are not spent by 6/30/24?

**Answer:**

Per conditions of the existing 5-year agreement (section 1.3): *“...the funds will revert back to the control of the Commission for future apportionments, or the District may, at the discretion of the Commission, be ineligible for future allocations, or the amount of such funds may be deducted from any future apportionment to the District.”*

## Question:

How do I know how much I need to spend to meet my spending requirements?

## Answer:

This information is available in the GIS.

Previous 5-Year Agreement	
"Old Money" Balance: \$	286,990.64
Currently Spent: \$	38,127.38
Balance Remaining: \$	248,863.26

Previous 5-Year Agreement	
"Old Money" Balance: \$	393,512.50
Currently Spent: \$	0.00
Balance Remaining: \$	393,512.50

# Annual Summary Report Spending Difference VS Previous 5-Year Balance Remaining?

## In a Normal Year:

- CDs have 2 years to spend funds to be eligible for next FY allocations
- Spending Requirement does not include two most recent allocation Fiscal Year's
  - FY 22/23 not included
- CD Status reflected in GIS "ASR Overview":
  - Green = OK
  - Red = Short of spending

### *From Annual Report*

Total Spent: \$ 1,608,682.93

Spending Req.: \$ 1,590,117.00

Difference: \$ 78,565.93

Total Spent: \$ 336,047.38

Spending Req.: \$ 536,243.00

Difference: \$ (200,195.62)

# Annual Summary Report Spending Difference VS Previous 5 Year Balance Remaining?

In

- C
- b
- C
- C

**This Year Only: Green/Red Status  
does not matter!**

**Why?**

Since old 5-year contract funds must be spent by June 30, 2024, that requirement is stricter than the traditional Green/Red for 2-year spending.

**So what does matter?**

8,442.93
8,117.00
<span style="background-color: green; color: black;">8,565.93</span>
8,047.38
8,243.00
<span style="background-color: red; color: black;">0,195.62</span>

# Annual Summary Report Spending Difference VS Previous 5-Year Balance Remaining?

## This Year:

- Must “zero out” balance remaining in old 5-year contract funds
- Balance Remaining includes FY 22/23

County A: still \$106K left to spend

County B: old money spent!

- Don't forget to check **BOTH** DGR and LVR – tracked separately!

## *From Quarterly Report*

### Previous 5-Year Agreement

"Old Money" Balance: \$ 106,347.04

Currently Spent: \$ 0.00

Balance Remaining: \$ 106,347.04

### Previous 5-Year Agreement

"Old Money" Balance: \$ 0.00

Currently Spent: \$ 7,130.64

Balance Remaining: \$ 0.00

# Take Home

Be concerned with ONLY the Previous 5-Year Balance Remaining!!!!

Previous 5-Year Agreement	
"Old Money" Balance: \$	286,990.64
Currently Spent: \$	38,127.38
Balance Remaining: \$	248,863.26

Previous 5-Year Agreement	
"Old Money" Balance: \$	393,512.50
Currently Spent: \$	0.00
Balance Remaining: \$	393,512.50

This is the only balance that includes FY 22/23!

Through June 30, 2024, IGNORE the ASR Spending Difference!!

**When is the best time to start planning and asking for assistance?**

- **NOW!**
- **Winter is easier to get technical assistance quickly**

# The Ken Show!

## Agenda

- Spending Requirement update
- **Quarterly Report updates**
- **Annual Summary Report Refresher (including looking up spending status)**

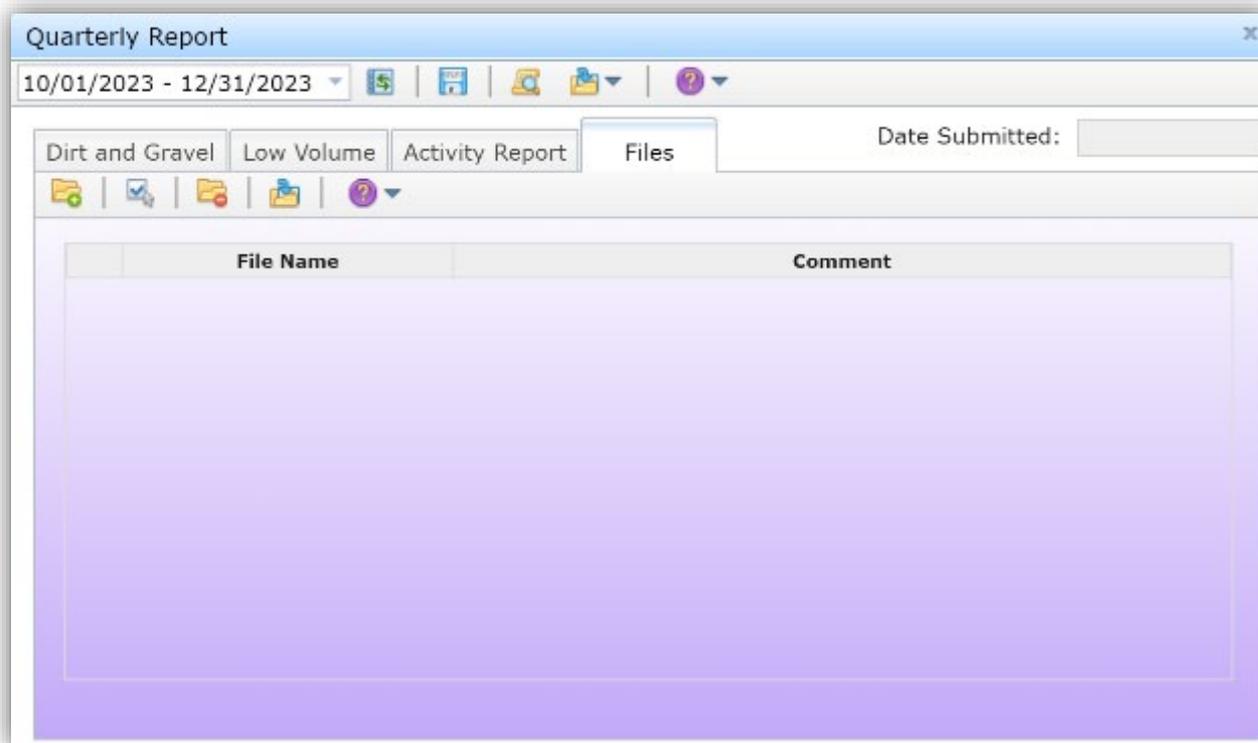

# Quarterly Report Updates

- File Manager (replaces Receipt Invoice tools)
- SCC Information Export tool (only available to Financial and District Manager roles)

**Both will be available on Monday, December 18**

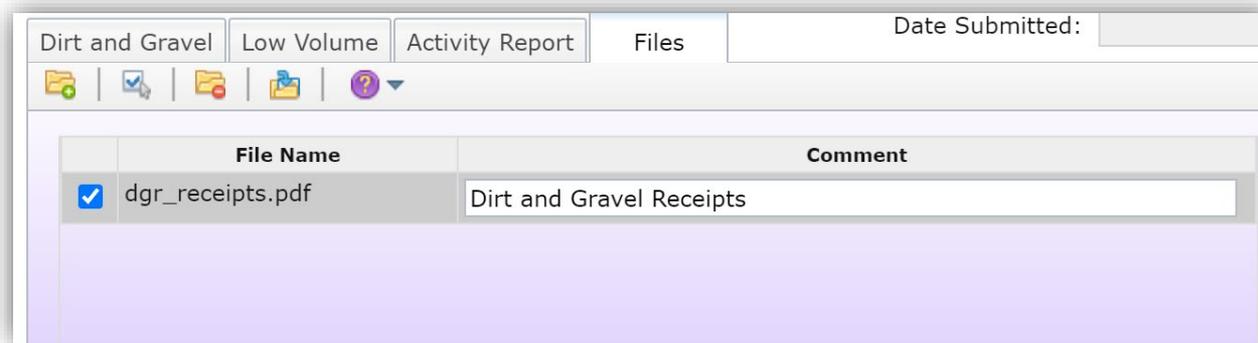

# Quarterly Report File Manager

- Available to everyone
- No restrictions on upload file types
- Can add/remove files and provide file comments

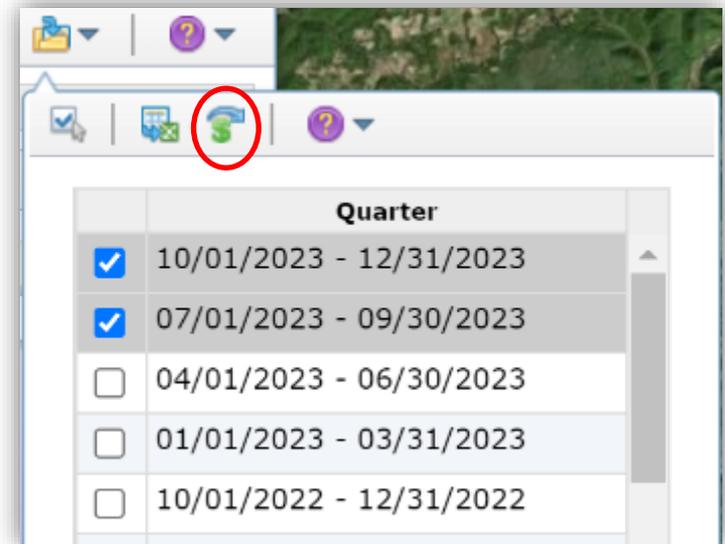

# Quarterly Report File Manager

- Click “Upload File”  to launch the file browser then choose a file to upload
- Once uploaded, provide comments
- Select any files to delete  or download 
  - Downloaded files are in a zipped folder and contain a csv of any entered file comments

# Exporting SCC Information

- Only available to Financial and District Manager roles
- Exports all Advance and Replenishment Information for the selected quarters (i.e., amounts, document numbers, process dates, etc)
- Located in the Export Quarters drop-down   
- To use, select the desired quarters to export then click the Export SCC Information button

## Agenda

- Spending Requirement update
- Quarterly Report updates
- **Annual Summary Report Refresher (including looking up spending status)**

# Annual Summary Report

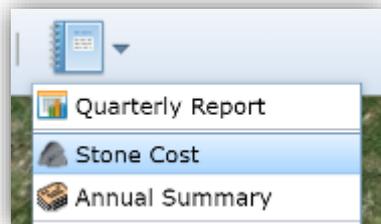

- Due January 15<sup>th</sup>
- Any CD employee with a GIS login can submit
- Can be viewed at any point throughout the year to help keep track of spending requirements
- Budgeting tool to help meet spending requirements
- 5 Required Steps to submit
  1. All quarters for the previous calendar year submitted and accepted
  2. Enter the Limestone Cost for the previous year
  3. Check and fix any contract errors
  4. Verify all financial and project information in the ASR
  5. Check all boxes and submit the report

# Required Steps

1. Submit the October – December Quarter
  - Verify that balances match
  - Address any expired contracts
  - SCC must accept the report before the ASR can be submitted

# Required Steps

2. Enter the Limestone Cost for 2023
  - The average cost of limestone aggregate (DSA) delivered (not placed)

The 'Stone Cost' application window displays instructions and a form for entering the limestone cost. The 'Stone Cost Editor' section has a 'Select Year' dropdown set to '2023' and a 'Limestone Cost' input field with a dollar sign and a '0' entered. A red circle highlights the year and cost input, with an arrow pointing to the '2023' row in the 'Stone Cost Viewer' table. The 'Stone Cost Viewer' table shows historical data from 2014 to 2023.

The average cost of **limestone** aggregate (DSA) delivered (not placed) is a small factor in District Allocations (in accordance with section 9106, the law that created the Dirt and Gravel Road Program). If costs vary a great deal across your County, please provide an average. If you cannot provide an average, set the cost to the previous year's figure.

Year	Stone Cost
2023	0.00
2022	18.70
2021	18.70
2020	18.70
2019	21.00
2018	21.00
2017	16.90
2016	16.90
2015	16.90
2014	16.90

**Stone Cost Editor**

Select Year: 2023

Limestone Cost: \$ 0

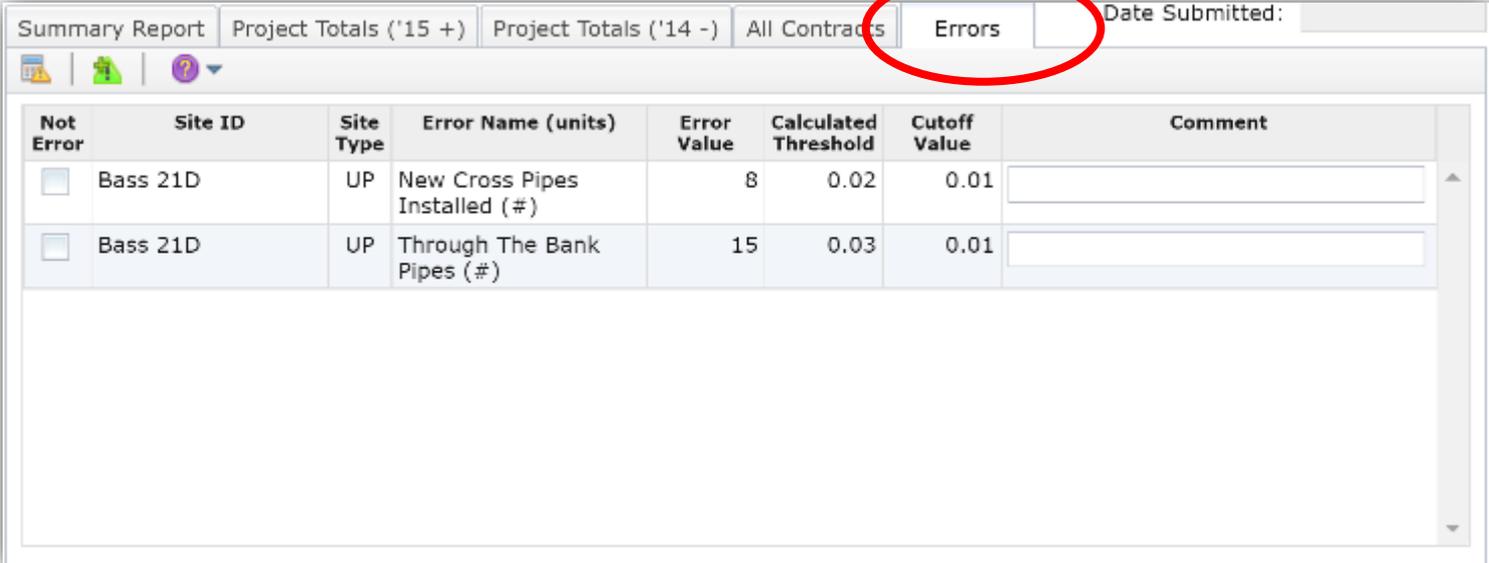

**Stone Cost Viewer**

**Instructions:** Select a year then enter the stone cost. If you do not know the stone cost, you can use last year's cost. Click the 'Use Previous Years Cost' button to automatically populate the cost into the current year. Save your changes to lock in the stone cost.

# Required Steps

## 3. Check and fix any contract Errors

- Review errors and, if valid, fix each within their respective contract to permanently remove the error from the list.
- If a marked error is not an error, check the respective box, enter comments, then click the "Save Changes" button.

Not Error	Site ID	Site Type	Error Name (units)	Error Value	Calculated Threshold	Cutoff Value	Comment
<input type="checkbox"/>	Bass 21D	UP	New Cross Pipes Installed (#)	8	0.02	0.01	
<input type="checkbox"/>	Bass 21D	UP	Through The Bank Pipes (#)	15	0.03	0.01	

*Note that all errors must be fixed before the ASR can be submitted.*

# Required Steps

4. Verify the information present in the ASR
  - Financials for each Program
  - Project totals for each completed Funded Site

Annual Summary Report

# Am I eligible for an allocation?

- Depends on your Spending Requirement Status
- Spending Requirement is the total of all allocations received minus the most recent 2 fiscal years
  - If Total Spent  $\geq$  Spending Requirement, then you are eligible for an allocation. The difference will be **green**.
  - If Total Spent  $<$  Spending Requirement, then you are not eligible for an allocation. The difference will be **red**. That amount must be spent by the time the next allocation is determined. This is typically March 31 for a normal allocation year

ASR Overview ( )	ASR Overview ( )
Total Spent: \$ 1,808,811.02	Total Spent: \$ 798,263.73
Spending Req.: \$ 1,607,968.00	Spending Req.: \$ 870,906.00
Difference: \$ 200,843.02	Difference: \$ (72,642.27)

# ASR Budgeting Tool

- Useful to help meet Spending Requirements
- Be sure that all income and expenses are up to date
- The information saved in the ASR budget tool is reset when the next allocation has been entered into the GIS

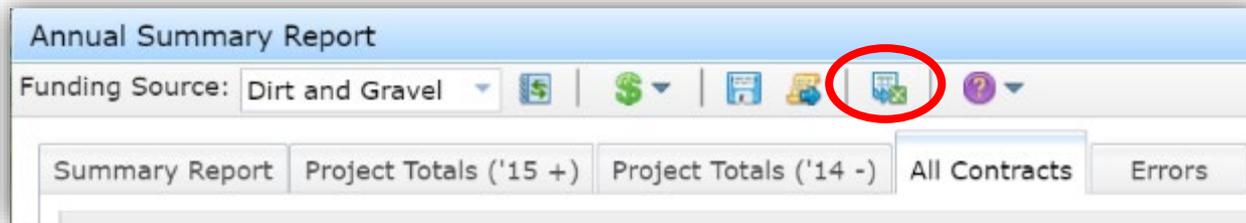

**Spending Requirements Budget Tool**

In order to effectively use this budgeting tool, be sure that all actual expenses are current through today and have been entered into the Quarterly Report. "Current Total Spent" is automatically updated with any expenses entered into the Quarterly Report.

	<b>Dirt and Gravel</b>
Spending Requirement: \$	1,607,968.00
Current Total Spent: \$	1,808,811.02
Expected Contract Expenses: \$	5,000.00
Expected Administrative Expenses: \$	200.00
Expected Education Expenses: \$	1,000.00
Expected Returned Payments: \$	100.00
Difference: \$	206,943.02

# Downloadable Data

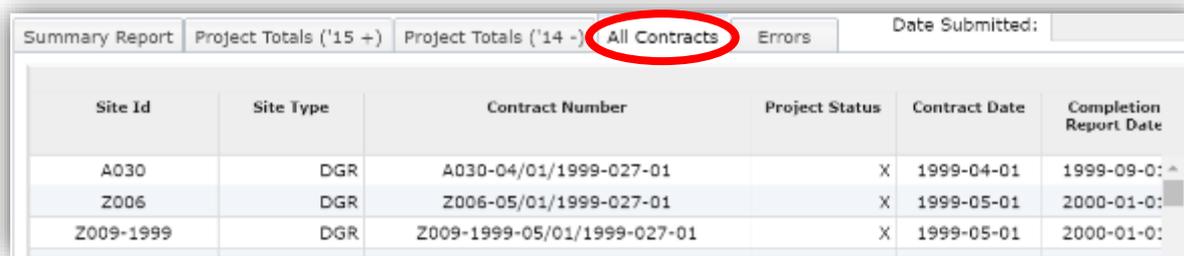

- Each of the five tabs in the ASR can be downloaded in a comma delimited format.
- To download data for a particular tab, choose the appropriate tab and then click the *Export Reports* button.

- Select the “Combined” funding source for both DGR and LVR data.

# Downloadable Data

- The “All Contracts” tab is useful to view data for individual contracts.

Site Id	Site Type	Contract Number	Project Status	Contract Date	Completion Report Date
