Slide # 2

Purpose:

Review the “nearly final” Structure Selection technical bulletin

Allow for questions, comments, and clarifications

Big Picture:

CDGRS working with SCC and TU on new stream crossing related guidance:

- Determining Bankfull 
- **Structure Selection** 
- Continuity and Longitudinal Profile *in progress*
- Streambed Material *in progress*
- Contracting, engineering, cost estimates *in progress*
- Grade Control
- Design requirements (related to DEP memo)
- Construction Oversight

Big Picture:

CDGRS working with SCC and TU on new stream crossing related guidance:

- Will likely make separate page on website for stream crossing reference material (like DSA is now).
- One stop shop for stream crossing guidance, policy, videos, trainings, outside references, etc.
